In response to the Office Action dated June 9, 2003, please amend the above-identified patent application as follows:

IN THE CLAIMS

b1 C1 1. (once amended) An outer door panel for an appliance door assembly, said outer door panel comprising:

a frame comprising opposite lateral sides;

an outer surface extending from said frame and bowed between said lateral sides;
 and

a recessed control mounting surface extending inwardly from said outer surface between said lateral sides.

C CONX 8. (twice amended) An outer door panel for a dishwasher, said outer door panel comprising:

a frame comprising a longitudinal axis,
